

Labourer

South East Construction LP is a multi-trade, industrial construction and maintenance company scalable to any project size and scope. It is a part of the SECON Group of Companies & takes great pride in providing a safe and rewarding work environment for our employees.

Position

Reporting to the Site Superintendent, you will perform duties in a safe and appropriate manner working in a team environment. You will be responsible for performing general laboring tasks. As a labourer, you will also be required to follow all policies and procedures.

This position is a non-union position and will be a 4/10 shift schedule; however, the candidate must be willing to work overtime up to a 7/12 as required. May be required for night shift.

This position will be located in Belle Plaine, SK.

Job Duties

- Adhere to workplace safety policies, regulations and compliances
- General cleanup/Lunchroom cleaning
- Material and tool inventory & logging
- Material and part runs
- Fire watch & confined space monitoring
- Spotting, fueling equipment, etc.
- Communicate any unsafe conditions or wear and/or damage of equipment to supervisor in order to facilitate corrective action

Qualifications

The successful candidate will have;

- Knowledge of basic equipment and safe operation of tools
- Valid Class 5 Driver's License
- Effective self-managing, good problem-solving skills, planning, organizing and priority setting skills combined with a strong work ethic
- Strong written and verbal communication skills
- Must be open and flexible to change, take initiative and able to work as part of a team
- Ability to work in labour intensive conditions
- Pre-employment medical exam and drug test will be required.

Total Compensation

With this opportunity, a competitive Total Compensation Package, including fair and equitable wages and a comprehensive group benefit plan will be offered.

Application Process

Please apply by sending a cover letter and resume to recruiting@secon.ca. The start date is as soon as the successful candidate is available.

We thank all applicants for their interest; however only those candidates with cover letters and resumes who fit the needs of the company will be contacted.
