Within the SECON Group of Companies, as our First Nation & Metis Engagement Commitment has continued to evolve, so has our desire to broaden our engagement reach. In 2022, the SECON Group of Companies partnered with Ochapowace First Nation located in Saskatchewan's Parkland area to create atoskewin Industrial L.P., which is majority owned by Ochapowace First Nation.

Atoskewin Industrial is a General Contracting & Service Focused Company designed to provide opportunity, training and financial benefit back to the Community of Ochapowace First Nation.

Atoskewin Industrial L.P. will leverage the experience of the SECON Group Management Team to implement and adhere to the highest standards of safety and quality in the Construction Industry to grow our engagement capabilities through the economic opportunities in the province of Saskatchewan.
